NOTTAWASAGA LIGHTHOUSE PRESERVATION SOCIETY

Hello Lighthouse Supporters,

As we all make our way through the challenges of these troubling, unprecedented times, it is encouraging to see countries helping each other, scientists working together, communities supporting local businesses, young people helping seniors, and neighbours out together celebrating our remarkable front line workers.

While the NLPS is disappointed that meetings, presentations and events have had to be postponed, we know that our dedicated team of volunteers remains focused on our common goal. We look forward to working with our supporters, donors and each other once again.

This too shall pass and the good news is that Mother Nature is healing. Spring will come and flowers will bloom bringing hope and beauty back to the world.

Please stay safe. Be calm. Be kind.

Stephen Emo,

Chair

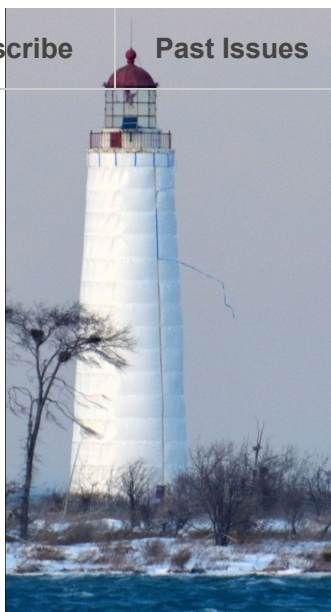

Nottawasaga Lighthouse Preservation Society
